- write the answer to a division as a mixed number
- Fraction of a number
- Ratio and proportion
- Area and perimeter of a rectangle
- Time - Converting units of time
- Analog and digital time

Organizing and Representing Data using Bar diagram, line graphs and frequency tables

Science

1. Scientific method

Scientific methods

Fair Test

2. Human organ

Location and functions of the organs

Digestive system: organs and functions

Respiratory system: organs and functions

Circulatory system: organs and functions

Nervous system: organs and functions

Pulse rate experiment

Scientific names of the organs

3. Materials changes

Reversible and irreversible changes with examples

Chemical and physical changes

Changes such as melting, freezing, evaporation, condensation, burning and rusting.

Solution and mixtures

Separating techniques for solid-solid

4. Electricity

Electric current

Circuits

Open and closed circuits

Series and parallel circuits

Conductor and insulator

Computing

A. Excel

- Sorting
- Drop Down List
- Validation Check
- Logical Test

B. Multimedia

- Inserting Music and Videos
- Inserting Text and Graphics
- Inserting Hyperlinks

French

Les nombres

Les jours de la semaines

Les mois de l'annee

Se presenter

Que font-ils après le college .

La semaine de pascal .

Un jour de conge .

(Le livre de page 6 jusqu'a page 25 + le cahier de classe)

Le present des verbes du premier groupe

Le present des verbes : avoir , etre , aller , faire , s'appeler

Les adjectifs possessifs

Les compositions :

Presente toi .-

-parle de ton week-end , ou vas tu ? que fais tu ?
